Task Order No. 3(100, 762) 65-R
Special Test Equipment

Gentlemen:

This is to acknowledge [] letter of 3 November 1965 relative to authority to purchase special test equipment required for use under the subject Contract.

It is understood that [] wishes to substitute, for the previously approved two (2) deflection drivers, one (1) each dual-deflection driver, Celco Model No. RDAPP6NIR at a cost of []

The Contracting Officer hereby approves the purchase of the foregoing item with the understanding that this shall not increase the total estimated cost established for this Task Order.

It should be understood that upon receipt of Government property, either sponsor furnished or Contractor acquired, it is incumbent upon your offices to submit property record cards for all nonexpendable items exceeding [] in valuation that will not be incorporated or expended in the development of an end product.

Very truly yours,

[]
Contracting Officer
